EMPLOYEE ENGAGEMENT / TEAM BUILDING

In It Together - For the families

Together we make a difference for the ones who have packed up their families and sick kiddos, traveled hundreds of miles to an unfamiliar city, skipped meals, lost sleep, cried silently, fought ferociously and hoped for the best even when faced with the worst.

This House is a place where caregivers can refuel for the fight ahead with nutritious meals and restful sleep, play areas and quiet nooks; a place where they can rally around hope. And a place that the Omaha community can rally around too.

We look forward to discovering the innovative and engaging ways we can partner to support the brave families who rely on RMHC in Omaha. We can do this together.
